About the Beneficiary

Proceeds from the 2023 Golf Classic will support important improvements to the Level III Neonatal Intensive Care Unit (NICU) at Virtua Voorhees Hospital. Virtua Health delivers more babies than any other health system in our region, and the Virtua Voorhees NICU cares for more than 900 babies each year—making this unit the busiest facility of its kind in southern New Jersey. As a state-designated Regional Perinatal Center, the Virtua Voorhees NICU receives babies transferred from area hospitals, including Virtua Mt. Holly and Virtua Our Lady of Lourdes, when they require a high level of intensive care. Thanks to your generosity, we can provide our tiniest patients with the very best facilities so they can grow and thrive.
