## ABOUT THE BENEFICIARY

Proceeds from the 2025 Golf Classic will support academic scholarships for students at Our Lady of Lourdes School of Nursing.

Nurses play a vital role at Virtua Health, caring for patients through nearly every aspect of their health care journey. Together with our philanthropic partners, we are helping to reduce financial barriers for nursing students and address critical workforce shortages that are affecting health systems nationwide. For more than 60 years, the Our Lady of Lourdes School of Nursing has provided exceptional education to generations of nurses who have dedicated themselves to building healthier communities in South Jersey. Today, Our Lady of Lourdes School of Nursing is part of Virtua Health, and many of its graduates choose to begin their careers as nurses at Virtua. Scholarship assistance can make a tremendous difference in a student's life and career, helping to ensure they can focus on becoming a skilled nurse who will have a positive impact on our community.
