EMBRACE THE POSS/IBLE™

A photograph of a modern, multi-story surgical center building at dusk. The building features a prominent glass facade on the upper levels, reflecting the twilight sky. The lower levels are constructed with stone or concrete blocks. A large, illuminated sign is overlaid on the image, reading "SUMMIT SURGICAL CENTER". The sky is a deep blue with some light clouds. The building's entrance is visible at the bottom, with a covered walkway supported by columns. Some interior lights are visible through the windows, suggesting the building is operational.
