THE ANGEL GARDEN

at Virtua Voorhees

The Angel Garden at Virtua Voorhees is a special memorial for babies who have passed. It is a peaceful sanctuary full of trees and flowers where families can sit and remember their little ones.

An angel statue overlooks the garden and a unique water wall is adorned with plaques that are etched with the names of the special babies honored there.

The only memorial of its kind in South Jersey, the Angel Garden at Virtua Voorhees is open to anyone who has lost a baby, even if they were not a patient at Virtua.

If you would like to honor the memory of a baby, please complete the following form and return to:

Virtua Health Foundation
PO Box 70260
Philadelphia, PA 19176-9703

Gifts also provide resources to help families who cannot otherwise afford to honor their babies with a plaque and to help maintain the Angel Garden.
